

Online Registration & Reservation System Guide – View & Cancel

This guide will lead you through how you:

- **View** reservations you’ve made and programs you’ve registered for previously
- **Cancel** your registration or reservation to provide access to others (and to avoid a “no-show” fee where applicable).

➔ Tip to using this guide: Look for the yellow arrows. They are your guide to important areas of the screen illustrations

View (and/or Cancel) Future Reservations

First, log into your online account. Once logged in select Your Account at the top on the right of the yellow arrow.

This will take you to your [Account Actions](#) page.

Select “View” to the right of View and Cancel Reservations”.
